Conservation Commission Highlights

Workdays/Fun Days, Hikes, and Signs

THANK YOU to Conservation Corps members and Commission Friends who helped clean up this past winter's extensive storm damage on our town's conservation lands. Now, the Commission has a back-log of planned projects to complete before cold weather. We have a BIG ask. **Can you help keep our conservation properties among the best in the Monadnock Region?**

The Commission is scheduling monthly workdays (we like to call them fun days) on the second Saturday of each month—two shifts, 8:00-10:00 a.m. and 10:00 a.m.-Noon. Interested in joining the fun on September 9, October 14, or November 11? Email rindgeconcom@town.rindge.nh.us and we will send you details on each workday's plans.

The Annual Hike and Paddle Series continues for two more outings. All hikes begin at 1:30 p.m., are free of charge, follow well-defined trails, and take place rain or shine. Reserve the dates on your calendar today!

- **September 17, Contoocook Marsh Conservation Complex.** Meet at the parking area on County Road (off US 202 about 1.5 miles north of Route 119) to learn about protecting the Contoocook Watershed and see the area's new nature signage.
- **October 15, Miriam Hunt Memorial Town Forest.** Meet at the entrance located on Route 119 opposite Cutter Hill Road and Crowcroft Pond (about 2.5 miles east of US 202) to explore the reds, yellows and oranges of bright fall foliage. We will be collecting cans and other goods for National Food Bank Week. Donations will benefit Rindge Food Pantry.

Nature signs are coming to Contoocook Marsh Conservation Complex. With funding from Merrimack Conservation Partnership and Rindge Conservation Fund, four educational signs will be installed along the trail. The Contoocook Watershed and river begin in Rindge, so it is up to us to protect the water quality. Signs will highlight the Contoocook Watershed, Vernal Pools, Cyanobacteria, and Native Vegetation (nature's water purification system).

Questions? Email the Conservation Commission at rindgeconcom@town.rindge.nh.us.

Throughout September, four new nature signs will be installed along trails at Contoocook Marsh Conservation Complex to educate hikers on the importance of protecting the Contoocook Watershed.

Get a Ride or Give a Ride: Everyone Benefits

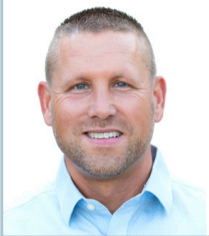

Right down the road, right now, someone needs a ride to somewhere essential. And volunteer drivers for Community Volunteer Transportation Company (CVTC) drive people where they need to go.

When riders can keep their essential appointments, they stay independent, and can live at home in peace. Riders can request to be taken to their doctor's or social service appointments, pharmacy or grocery shopping; all non-emergency. A five business-days' advance notice is all CVTC needs to enter a rider's trip request in our TripList system. And for the rider, it is more than just the free ride. Our drivers are courteous and trustworthy, willing to converse and engage. Sometimes even new friendships are made.

Once our vetted volunteer drivers choose which trips best fit their schedule, they call the rider to verify pick-up times and when they return home themselves, they track their total mileage for reimbursement at \$0.655 per mile from CVTC. Drivers select when, and to where, and for how long they are available. By making this difference in a rider's life, drivers contribute to the health of the Monadnock Region, one person at a time. Please call CVTC for more information at 603-821-0569.

Nero Wealth Group - Rindge, NH

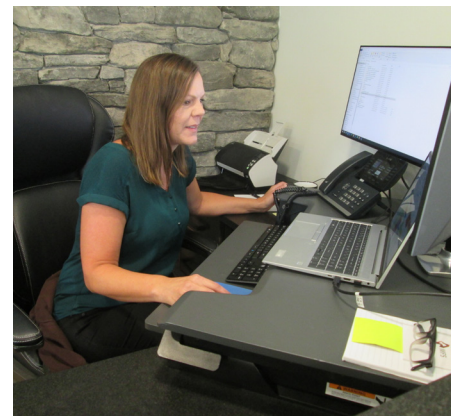

What makes a person with a successful career in a Fortune 500 investment services company decide to pursue a new venture in the business world? Jason Nero spent a decade overseeing the work of investors in offices across New Hampshire. But tugging at his heart was a desire to work directly with individuals, couples, and families to create investment plans based upon their specific needs.

Jason realized his dream when he opened Nero Wealth Group in October of 2022, and became its managing director. He works with Client Service Associate Jennette Aho, and Client Wealth

Administrator Amy Holombo. Margaret Greenlee, who recently retired, was invaluable in helping to establish this new business. Nero Wealth Group (NWG) is aligned with Raymond James, a respected name in financial services. Their focus is in helping individuals who are preparing for retirement, as well as small business owners desiring to create a sound business plan for their company.

There is an initial consultation that allows the client to determine if NWG is a good fit for them. If not, the client will be offered suggestions of other companies in the area. If the clients decide to work with NWG, there is a review of client finances, priorities, and future goals. After developing a plan, NWG meets with the client to go over each recommendation. This may include how to navigate Medicare, Social Security, estate planning. NWG will monitor each segment of the plan to provide protection from sudden changes in the investments, in client health.

NWG offers monthly seminars to the clients on a variety of topics related to investment and financial planning. Jason is interested in developing educational resources for the community and the schools in the area to "give back" to the community. He feels that no one should be fearful of investing even a small amount, if it is done with a basic knowledge of each investment, and the risks and benefits one is taking. Jason is excited about the growth of his client base, and shared that he starts each day eager to "get to work" helping people achieve their highest ambitions, passions, and dreams.

Rindge Historical Society and Museum

Here in Rindge, we have a Museum established to collect, curate, and preserve town historical documents, photographs, and artifacts. It is located at 24 School Street, and was established by Mary Lee Ware in 1895 in the attic of the newly built town library. The current President of the Board is Karla MacLeod, whose family has lived and worked in Rindge since 1820! Karla's great-great grandmother Hoyt lived at one time in the building, which now houses the Museum collection, and Karla developed her interest in the history of her town and family at an early age. Karla says that 'you

can't hang on to what you had before, but you can get glimpses of it'. This is a sentiment that many Rindge residents, both natives and new arrivals, will appreciate.

There is an interesting arrangement between the town and the Historical Society. The town owns the artifacts, and the Society owns the building. There are no paid workers, and the 14 members of the Board volunteer their time, talents, and monetary contributions to support the work being done. An annual allotment of \$4,100 is given to the Society by the town. The Board also applies for a Hunt Foundation grant each year. This money is used for operating expenses, as well as in preparing items for display, purchasing new items, and caring for the property. Recently the Society received a substantial bequest from a former board member, which they are using to update the windows, septic system, and porch. Fund-raising efforts include the sale of books and booklets about historic events, woven blankets that display town landmarks, and donations at the Open Mic events.

The Museum is open to the public on the first Saturday of each month from 10am to 2pm, and every Wednesday from 10 am to 12 noon. Coffee and goodies are offered on Wednesdays, and people are invited to enjoy a comfortable and welcoming chair on the wrap-around porch on warm summer or crisp fall days. Tours can be arranged at other times by calling the Museum phone number. Karla can also be reached by personal phone and email, all of which are listed on the Society's website. People conducting historical and genealogical research will find a wealth of material in the Museum's extensive records, dating back to the mid-1700's. And please look for the Historical Society display case at the Ingalls Memorial Library! It currently features historic lighting, and a new display is coming soon featuring early music.

Karla's efforts extend beyond the preservation of the artifacts, to the care of the property, consisting of the original barn and surrounding lawns and gardens. The barn may become the venue for the Open Mic, which is currently held from 1pm to 4pm on the 4th Saturday of each month at The Meeting House or museum grounds. Karla also arranges for students at the Memorial School to take tours and learn about the history of their town. I found it quite startling to learn that Rindge, which was first settled in 1750, had reached a peak of 1,400 people by 1820. A decline then set in, and by 1930 there were only 600 residents!

Come to the Museum, and find out why the population rose and fell so abruptly! (Hint- water power, sheep farms, woolen mills) At our museum, there is a story behind each item, and something of interest for every person who steps back in time through the doors of this memorable organization.

Become an American Reads Volunteer

One hour, once a week, can improve the life of a young child!

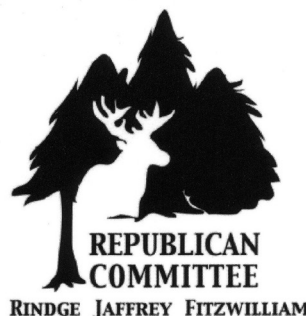

The Monadnock RSVP Volunteer Center invites interested men and women, ages 55 + to consider becoming an America Reads volunteer to help children who are struggling with reading. Research shows that supportive and consistent interactions with adults in the early years can affect a child's brain development and set the stage for school readiness and academic success.

Under the supervision of a teacher or center director, America Reads volunteers will engage children in grades pre-K through 3rd grade in literacy activities and one-on-one reading time to build vocabulary, increase letter-word identification, and foster a love of reading. The program is currently serving students in 13 schools and 3 early learning programs across the Monadnock region. The commitment is for one hour a week, throughout the school year. All you need is a desire to make a difference in the lives of children in your community and have a love for reading, training and resources will be provided.

If you are interested in joining the America Reads Volunteer Program, contact Pat Dixe at pdixe@mfcs.org or call 603-357-6893.

Tennis/Pickleball Court Challenge

The Rindge Woman's Club would like to offer a challenge to local non-profits, businesses, and individuals to join us in supporting our youth and the health and fitness of our neighbors by donating to rebuild the Tennis/Pickleball courts at the Recreation Department on Wellington Road. At Town Meeting this year voters set aside twenty thousand dollars to establish a fund to completely rebuild the tennis/pickleball courts at the Rindge Recreation Center at Wellington Park. Rebuilding the courts is estimated to cost about \$140,000.

Several years ago, the Recreation Center built a portable ice-skating rink to go over the tennis courts during the winter months. Unfortunately, the supporting structure of the tennis courts was unable to bear the weight of the ice rink and several deep cracks and fissures have opened. Repairing the cracks and resurfacing the courts is no longer an option as the foundation for the courts is crumbling. We need to rebuild the courts completely.

At our August 3rd meeting of the Rindge Woman's Club, we discussed the state of the tennis/pickleball courts and voted to donate \$2,000 toward the fund to rebuild the courts. We've heard that people are working on grant opportunities to support the ONLY public tennis courts in Rindge, but we know that often these grants require matching funds. If you are interested in donating to the effort, please contact Dan Bemis, the Recreation Department Director, at recdirector@town.rindge.nh.us or at (603) 899-6847.

Rindge Jaffrey Republican Committee

The Rindge Jaffrey Fitzwilliam Republican Committee is dedicated to keeping America and New Hampshire great by preserving freedom, limiting government, and ensuring unlimited opportunity for all. We believe the best way to accomplish this is by electing Republican candidates at all levels of government: local, state, and federal.

We typically have guest speakers at our meetings, including elected officials, Republican candidates for office, and other prominent Republicans. At our August meeting, for example, we had a very interesting, informative, and enjoyable discussion with NH Education Commissioner, Frank Edelblut. We also typically hear from one or more of our State Representatives who keep us up-to-date on what's happening in Concord. Our meetings are basically fun evenings with friendly people and lots to talk about!

Our meetings are usually held on the 1st Monday of the month @ 7:00 PM in the Rindge Meetinghouse. (Please note that we will not be holding a September meeting.) Our next meeting will be on October 2nd (guest speaker to be determined). All Republicans and like-minded Independents are welcome to come to our meetings.

For further information, please contact us at rjfgop@gmail.com.

Many things have changed since we opened our real estate office in March of 1972. What has not changed is our well-known “**Personalized Real Estate Service**” that we provide to everyone with whom we work. Whether it's selling, buying, managing, leasing or consulting, some things never change.
